DETAILED ACTION

1. This action is in response to applicant's amendment filed on March 15, 2006. **Claims 1,4-14,23,25-28 and 35-37** are now pending in the present application.
2. The Art Unit designation of this application has been changed to Art Unit 2614. Please make this change in any future response.

Continued Examination Under 37 CFR 1.114

3. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on March 15, 2006 has been entered.

REASONS FOR ALLOWANCE

4. The following is an examiner's statement of reasons for allowance: regarding claims 1,23 and 35, the claims recited a system that filters an audio stream on behalf of a calling party. Comprising a telephone network connecting a calling party to an intelligent network node upon determining that the called party directory number is associated with a call center and determining that the calling party is a subscriber to an audio stream monitoring service and having the intelligent network node receiving an order from the SCP to call the call center and then connecting the calling subscriber with the call center and initiating the monitoring service so that selected audio segment can be filtered from the audio stream. The closest prior art of record Chan teaches of a call monitoring service which will filter out selected segments of the audio data, Chan does not teach of the network determining that the called number is a destination

number for a call center and having the calling being connected to the intelligent service node upon the determination of the destination number being a call center and if the calling party subscribes to the monitoring service and having the intelligent switch node initiate a call to the call center in combination with the rest of the limitations of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
